PAN AMERICAN
— SILVER —

Lake Shore Gold, a subsidiary of Pan American Silver, is seeking the following:

Geology Co-Op Students (4, 8, or 12 Month Period) – One Position

Lake Shore Gold is seeking 2nd, 3rd or 4th year **Geology Co-Op Students** to support the Geology team at our Bell Creek Mine site in Timmins, Ontario.

Responsibilities of the Geology Co-Op Student include:

- Work both on surface and in underground environments
- Assist mine geology personnel in their day-to-day activities
- Data entry, filing, and excellent computer skills will be required.
- You will be required to work with DHLogger, Datamine, possibly Deswik, and Microsoft Office.
- Special projects as may be assigned from time to time
- Familiarity with Microsoft Office is required
- A valid driver's licence is required

Students must be currently enrolled in a geology or earth science program to be eligible. Proof of eligibility is required. The successful candidate will demonstrate Lake Shore Gold's core values in Safety Health and the Environment and will meet the requirements of its Code of Conduct.

Students must have access to a vehicle or arrange car-pooling as public transportation is not available. Company provided living arrangements are available. The placement will run until December 2026.

To express your interest in one of these positions, please forward your resume to:
